

## Referral to the Netherlands Cancer Institute from abroad

For reference to our hospital, we need a referral letter with all relevant information in order to make the planning process run smoothly. Information necessary for registration concerns:

- 1. Referral letter with questions from the treating specialist**
- 2. Patient Data**
  - Name (in full)
  - Initials
  - Date of birth
  - Gender
  - Complete residential address incl. country and city (**no** correspondence or temporary address)
  - E-mail
  - Phone number(s)
  - BSN (Social Security Number)
- 3. Relevant correspondence**
- 4. Relevant reports**
  - Radiology / Nuclear medicine
  - Pathology
  - Laboratory
  - Surgery
  - Endoscopy
- 5. CD-ROM with images\***

**Note:** All data must be delivered in English, otherwise we unfortunately cannot process your application.

The data can be sent by e-mail or Fax.

*e-mail:* [tpp@nki.nl](mailto:tpp@nki.nl)

*Fax number:* +31 (0) 20 5127477

Once the data is received, the outpatient clinic's back office will contact you. Before you get an appointment at our outpatient clinic, the care administration will also contact you.

\* CD-ROM can be sent to:  
Netherlands Cancer Institute  
Radiologisch Archief  
Postbus 90203  
1006 BE Amsterdam  
The Netherlands
